

## **Palmer Electric Secures New Office Building Contract**

WINTER PARK, Fla., June 9, 2008 —The commercial division of Palmer Electric Company announced today its contract with general contractor Brasfield & Gorrie, LLC for electrical contracting for the new 800 SouthPark building in Orlando, Fla. Palmer Electric is providing electrical wiring, site lighting, fire alarm systems and lightning protection for the two-story, 70,533-square-foot office building. The project is scheduled for completion in October 2008.

Flagler Development Company Land Holdings, LLC is the developer. HuntonBrady Architects of Orlando, Fla., is the architect. CHPA Consulting Engineers of Maitland, Fla., is providing electrical engineering.

This is the sixth building Palmer Electric has worked on in the SouthPark office/service center with this development, design and construction team.
