**Palmer Electric Co. mourns the loss of
Senior Vice President/General Manager**

WINTER PARK, Fla., June 26, 2009 — Palmer Electric Company sadly announces the death of its Senior Vice President/General Manager, Bobby Parker, who passed away on June 25, 2009. Parker, who joined Palmer Electric in 1995, was responsible for overseeing the general operations of the company as well as the Residential Division and the Service and Special Projects Division. He was a Florida Licensed Electrical Contractor and a Licensed Master Electrician. Additionally, he was a Licensed Master Electrician in Virginia.

Burial will take place in his home state of Virginia. A memorial service in Central Florida will be held at a later date.
