

## **Palmer Electric Company and its employees donate to Heart of Florida United Way**

WINTER PARK, Fla., January 30, 2009 — Palmer Electric Company and its 350 employees announced today the donation of \$24,000 to the Heart of Florida United Way. Palmer Electric's staff donated \$12,000 which the company matched. Since 1997, Palmer Electric has matched its employee contributions for the United Way's annual campaign.

“This is a great program, which allows each employee to donate according to their means and allows the company the opportunity to participate, too,” said Tom G. Beard, president, Palmer Electric Company.
